BRAIN FRIES!

EXT. HEALTHY HEROES TREE HOUSE

The Healthy Heroes Tree House looks like a very cool, but very typical tree house is in the Hanes Wellness Center Tree Logo. It's a beautiful Autumn day. The tree is full of colorful foliage.

TIA (V.O.)
Okay, gang, what's for lunch?

INT. HEALTHY HEROES TREE HOUSE

Inside the Healthy Heroes Tree House looks like an awesome super hero base.

Tia is dressed in a chef's hat and apron, riding a unicycle. Techa is playing chess. Tag is running around.

TECHA
I'm playing in a big chess tournament later, so I'll need to eat something that's good for my brain.

TAG
And I'm gonna go run through the leaf piles after lunch, so I'll need something that's good for my heart.

TIA
I've got it! I'll make Tuna Fish sandwiches! Tuna Fish is a super food!

Tia starts juggling three Tuna Fish cans.

TIA (CONT'D)
It's full of Omega-3's which are great for the brain AND the heart!

THE PARENTAL UNIT (O.S.)
That's a great idea, Tia!

Techa, Tag and Tia turn to see The Parental Unit, who is leaning into the tree house door, silhouetted by the sun.

TAG, TECHA & TIA
The Parental Unit!

THE PARENTAL UNIT
But first you'll need to make your way to King Clown's Carnival Castle and save Ralphie!

TIA
Ralphie's in trouble?

TAG
Again???

TECHA
Yeah, look at this!

Techa shows a live video image on her Fact Finder.

INT. KING CLOWN'S CARNIVAL CASTLE (IN FACT FINDER SCREEN)

Ralphie is trapped in a colorful cage that's attached to the play structure in King Clown's fast food restaurant. There's a pile of empty hamburger wrappers, french fry boxes and milk shake cups around him. King Clown waves another burger in front of him.

THE PARENTAL UNIT (V.O.)

He's been kidnapped by King Clown, the fast food fiend.

TECHA (V.O.)

He's feeding him way too much!

KING CLOWN

Who wants another hamburger?

RALPHIE

I'm sooo full... but I can't stop eating.

Ralphie grabs the burger and forces another bite. King Clown laughs, maniacally.

INT. THE HEALTHY HEROES TREE HOUSE

The Healthy Heroes look up from the Fact Finder.

TIA

That clown is crazy! Can't he see that Ralphie's had more than enough to eat?

THE PARENTAL UNIT

He's controlling Ralphie's brain with his scientifically sinister fast food.

TIA

That's no fun. We've got save Ralphie!

THE PARENTAL UNIT

Remember, Healthy Heroes: Fast food is made fast, but eating it will make you slow.

TECHA

Thanks, Parental Unit!

TAG

Come on, Heroes...

TAG, TECHA & TIA
Let's get healthy!

The Healthy Heroes zip off to the rescue.

EXT. KING CLOWN'S CARNIVAL CASTLE - AFTERNOON

The building is a garish mix of colorful carnival and castle constructions with a big King Clown looming above.

ANNOUNCER
Meanwhile, at King Clown's Carnival
Castle...!

RALPHIE (O.S.)
(moaning) I can't eat anymore...

INT. KING CLOWN'S CARNIVAL CASTLE

Ralphie is still trapped in his colorful cage.

RALPHIE
I've got stomachaches.

KING CLOWN
Those aren't stomachaches... Those are
growing pains!
(to Lab Monkey)
Fix my friend another burger!

Lab Monkey, a somber monkey in a lab coat, is at a chemistry set.

LAB MONKEY
I am not your lab monkey.

KING CLOWN
Actually, you are!

LAB MONKEY
Oh right. (to himself)(shaking his head)
In my country, I was doctor.

Lab Monkey mixes a bunch of toxic chemicals together.
There's a small mushroom cloud -Poof!- a burger appears.

KING CLOWN
Excellent. Now who's hungry?

TAG (O.S.)
We're all hungry--

King Clown turns to see The Healthy Heroes making a heroic entrance.

TAG (CONT'D)

For justice!

LAB MONKEY

It's The Healthy Heroes.

King Clown holds up a HUGE KING CLOWN CUP of SODA.

KING CLOWN

Here's a little something to wash down that justice! And don't worry there's enough to go around, it's Jumbo Fun Top Fun Sized!

King Clown dumps gallons of soda on The Heroes' feet.

TIA

It's soda!

TECHA

All the sugar's making the floor sticky!

TAG

I can't move my feet!

Tia, Techa and Tag's shoes are stuck to the floor.

KING CLOWN

Ha! Now you're mine, Healthy Heroes! Soon I'll have you eating right out of my hand, just like your little friend...

Ralphie compulsively takes the burger from King Clown.

TAG

You don't have to eat that, Ralphie! You can stop when you full!

KING CLOWN

No, he can't. I've made him a meal he can't refuse. See ... I've used the perfect combination of fat, salt and sugar to turn off the little part in his brain that makes him stop eating when he's full. Now he can't stop eating! (laughs) Isn't that hilarious?

LAB MONKEY

Hilarious.

TECHA

(using her Fact Finder)

But that burger has 500 calories! And the large fries and milk shake have another 1,300! That's more calories than he needs for the entire day!

KING CLOWN

You can never have too much of a good thing!

TAG

Actually, you can! Too much is always too much when it comes to food!

TECHA

We've got to reset Ralphie's brain with some healthy super foods!

TIA

I've got it! I'll give him a tuna fish sandwich! The Omega-3's will be great for his brain!

KING CLOWN

A tuna fish sandwich?!? Booooooring!

TIA

Not if you cut it into a fun fish shape, like this--

Tia pulls off her chef's hat to reveal a wonderful fish shaped tuna fish sandwich with a black olive for an eye.

RALPHIE

(stops eating the burger)
That *is* fun.

TECHA

And it's good for you too.

KING CLOWN

Oh, sure, my "food" might not have any nutritional value whatsoever, but at least it comes with a free toy!

King Clown holds up a LITTLE KING CLOWN TOY that LAUGHS.

RALPHIE

(holding up the same toy)
I've already got one of those.

KING CLOWN
 (mocking)
 I've already got one of those. Just take
 it and be happy!

King Clown throws the toy at Ralphie.

TAG
 Silly Clown, you don't need to go to a
 restaurant to get a toy.

TIA
 My mother buy her own little toys to put
 in my lunch. She calls it a Mommy Meal.

TECHA
 Here, Ralphie, you can have the King from
 my chess game.

RALPHIE
 Oooo... I don't have one of these.

KING CLOWN
 And you don't have the sandwich either!

King Clown takes the tuna fish sandwich away and runs to
 the other side of the room.

TIA
 Hey, give that back!

KING CLOWN
 No way, Jose! It's mine now!

TAG
 You'll never get away with this, Clown!

KING CLOWN
 That's King Clown to you! And I *will* get
 away with it! I'll run far, far away from
 here ... Right after I've had my lunch.
 Lab Monkey!

LAB MONKEY
 I know. I know. Here's your burger.

Poof! Another chemical mushroom cloud. Another burger.

LAB MONKEY (CONT'D)
 Bon appetite.

TECHA
 Ewww... that's made of chemicals And
 additives. How can you even eat that?

KING CLOWN
With my mouth!

King Clown takes a bite and makes a face.

KING CLOWN (CONT'D)
This is disgusting! Lab Monkey! This
burger needs more trichloroethane ... and
less pickles!

TAG (O.S.)
You're the one in the pickle, King Clown!

Tag, Techa and Tia jump out of their sticky shoes, and
land in their socks on the floor, away from the soda
puddle.

TAG (CONT'D)
Let's get him!

KING CLOWN
You'll never catch me, Healthy Heroes!
Nothing's faster than fast food!

King Clown runs around the room at blazing speed.

TIA
He's getting away!

TECHA
But he can't keep this up for long.
Remember what The Parental Unit said:

King Clown gets slower and slower until he's wheezing.

TECHA (O.S.) (CONT'D)
Fast food is made fast, but eating it
will make you slow.

TAG
And now he's the one stuck in the soda!

King Clown is stuck to the floor in front of Ralphie's
cage. Ralphie grabs the Tuna Fish sandwich.

KING CLOWN
(out of breath)
This ... isn't ... funny...

RALPHIE
(eating the sandwich)
But *this* is delicious!

TIA

Ralphie's eating the tuna fish sandwich!

TECHA

Yay! He made the healthy choice!

TAG, TECHA & TIA

Good Food, Fitness and Fun for everyone!

LAB MONKEY

Who wants pickles?

Ralphie and the Heroes laugh. King Clown's King Clown Toy laughs as the closing circle edit closes in on it.

KING CLOWN TOY

Ha ha ha ha ha!

KING CLOWN (O.S.)

Oh, shut up!

Circle closes. Toy laughter ends.

THE END
